### **MMTC Salutes Hon. Jessica Rosenworcel on Her Service as FCC Chairwoman**

**WASHINGTON, DC (January 21, 2025):** Since 2012, the Multicultural Media, Telecom and Internet Council (MMTC) has been honored to work with FCC Chairwoman Rosenworcel during her tenure at the Federal Communications Commission (FCC). Under FCC Chairwoman Rosenworcel’s leadership, the FCC created the largest broadband affordability program, which connected more than 23 million households to high-speed internet. MMTC is proud to have supported this effort through the Black Churches 4 Digital Equity Coalition.

“Working with FCC Chairwoman Rosenworcel gave MMTC an opportunity to work on common issues including bridging the digital divide, broadband access and availability, media equity and inclusion, and bridging the ‘homework gap,’ her signature initiative. We wish her much success in her next chapter,” said MMTC President and CEO Robert E. Branson.
